Nothing is More Essential for Finishing or More Appropriate for Gifts Than

Christmas Ribbons

Pretty ribbons are indispensable for fancy work, for sashes and for hair bows. Plan to give a dainty present that is "Something different."

What could be more acceptable for a young miss than a hair bow in a holiday box? What could be prettier for a child than a sash and hair bow to match, put up in a fancy box? We show many "Dorothy Dainty" sets at moderate prices.

Coat hangers, hair ornaments, boudoir caps, corsage bouquets are all desirable gifts. They can be purchased or ordered from ribbons selected by customers.

For Sashes and Bows we have very pretty Brocades, in light colors, 6 1/2 inch width, at **yd. 39c**
